

FARIBOLES*

A hand is lighting a candle in a teal and white striped ceramic jar. To the left are two other jars, one green and white striped and one orange and white striped. To the right is a yellow and white striped jar. The scene is set on a wooden table with scattered pink cherry blossom petals and a large green leaf. In the background, a branch with pink cherry blossoms hangs down. The text "FARIBOLES*" is overlaid at the top.
